The 3rd Annual Stroll in the Park will be held at Pennypack Park on the Delaware River following the Day of Stewardship. This fundraising event is the culmination of SPIN's Social Capital weekend. Very similar to a "walk-a-thon", "Stroll-ers" raise money and awareness for our agency by collecting pledges prior to the event.

The course is wheelchair accessible. The total distance is approximately two miles. At the conclusion of the walk, participants will enjoy a complimentary "brown bag" lunch.

All proceeds from this event benefit the completion of the construction of the play park and recreation area at SPIN's Drummond Road Campus.
